In 2007 the story of Aron Ralston happened to be a good topic because it was the time when the Aron Ralston got stuck while canyoneering in Utah and died. Today this is a very popular topic because there are a lot of people who want to learn about the survival skills. The actor James Franco and his real-life girlfriend Kate Mara star as the heroes of the movie. The story of Aron Ralston took place in Utah Canyon, where Aron was canyoneering by himself. He got into the water and tried to pull out some bigger stones that might prevent the shallow water to get onto his legs. After he had done this he got stuck in the rocks and had to amputate his own arm to get out of there. He had only five days to get home, but did not think of this. He tried to find his way to the north, as his mobile phone was also in the backpack. He tried to find a way to contact someone who might rescue him. His only hope was that the weather would change and a snowstorm would destroy the canyons. James Franco in 127 Hours The actors who play the main characters of the film are James Franco and Kate Mara. They do a great job and make the audience feel that they are watching a real story. The story was based on the book of the same name, which was written by journalist and author Stephen Edelson, who is the father of the main protagonist. The book was even made into a movie in 2000 called The Edge. James Franco played in the movie the role of the character named Alonzo Fitzhugh. The main character of the story was named Aron Ralston. His acting was considered a little bit weak and dull in the movie The Edge. A great movie and a great source to read before watching this movie was the movie The Endurance. This movie was based on the story of the guy who in 1998 was trapped in the Himalayan Mountains with the main character of the movie. He was able to save his own life and his wife by descending on a rope. The movie mostly speaks about the place where Aron Ralston got stuck, the place was in Utah Canyon. In the movie the canyoneers name was John Gwynne and he was playing the role of Aron Ralston. The movie was released in the year 2000 and earned more than \$33 million at the box office. It was nominated for 9 Academy Awards and only won
