
Synology Surveillance Station License Serial Added

Using a license key in the user interface of Surveillance Station, you can set up and manage an additional camera on your network. Supports IP cameras. NET and other IP cameras up to 5 megapixels. NetCamPro provides motion detection on each camera, real-time monitoring, live display, recording and playback on your computer. Allows you to turn the camera on/off, adjust color, white balance, sharpness, etc. NetCamPro also allows you to adjust the brightness, contrast, saturation, hue and other image parameters.
