Choose your method of progression to get better and achieve more in FIFA Ultimate Team. Whether you want to play matches alone, enter the FUT Draft Market to build your own dream team, or transfer your favorite real-world players into the game, FUT can be as active or passive as you want it to be. Build up a collection of 30 real-world footballers and managers from the past and present; stay active on the FUT Draft Market, where you can purchase, sell, and trade footballers with other players and clubs; participate in real-time FUT Champions Leagues with friends to prove your worth as a football manager. Downloadable Content - If you want to stand out from the crowd, you'll want to be the best in the world, and you will be. For a small fee, EA Access members can unlock rewards from the extra-long Extra Time and Club Career modes. Mode Specifics FIFA Ultimate Team - Play 10 or 15 matches against local opponents with FIFA Ultimate Team or tournaments with up to 99 friends to test your skills in FUT Champions League. Club Career - Based on the exciting career mode in FIFA 20, you can run your own club as a manager or player, develop, manage, and control your team in your career mode. You can also enjoy over 60 real football matches, with over 50 career matches being new to this season of the game. Play on a beautiful, high-definition screen with realistic gameplay features such as individual player attributes, improved ball physics, and new animations. All-new Trainer Challenges - Lead your squad to victories against new, single-player challenges unique to each country. Player Development - Be part of club and club's history. Use a new system for player development to continue to improve your players' attributes, make them more flexible and adaptable, get better at your technical ability, and play more like a pro. Managing Elite Players - Manage your favorite current players and develop their attributes like speed, strength, physicality, and persistence. Even if you don't manage these players, every FIFA game includes the full player pool of over 1,400 official players, making it easy for you to choose your best 11 for the upcoming match. My Player - Customise your player across attributes. Customise your player to be more diverse, stronger, or faster. Decorate your player with more clothing or accessories, from the world's best players.

What's new in Fifa 22:

- New Team of the Year.
- FIFA 22 introduces the "Ultimate Team," which allows you to take your favourite squads' players and bring them together for you to play as your own team throughout the game. Compile the best of the best from the world's biggest clubs and national teams over the past decades, creating your own collection of the best players in the world. Make your own journey, from talented newcomers to superstars of the game. Mode launched a new World Cup Ultimate Team Championship that rewards players with FIFA Ultimate Team coins for their abilities across a single calendar year - (0.5 coins for top scorers of the World Cup, a 1 coin drop for 5-8th place).
- New Cross Play and Online Pass features.
- Direct team play.
